| Packaging | Specifications  | Minimum quantity |
|-----------|-----------------|------------------|
| В         | Packing in bulk | 250              |

# **Specifications**

Paint dripping e

| Capacitance                                      | 120pF ±5%           |
|--|---------------------|
| Rated voltage                                    | 2000Vdc             |
| Temperature characteristics (complied standard)  | SL(JIS)             |
| Temperature coefficient                          | +350 to -1000ppm/°C |
| Temperature range of temperature characteristics | 20 to 85°C          |
| Operating temperature range                      | -25 to 125°C        |
